Leigh Bardugo

Leigh Bardugo is an American fantasy author. Before publishing her first novel, she worked in copywriting and journalism. She is most known for creating the Grishaverse which has been adapted into a show which you can watch on Netflix, *Shadow and Bone* focuses on the events that occur in the trilogy, the *Six of Crows* duology and more. Bardugo's books have been nominated on many occasions in the *New York Times*.

"Like the expert strike of a reflex hammer, it hits precisely the right spot...Leigh Bardugo's first novel, "Shadow and Bone," does so straight from its opening lines" - *New York Times*

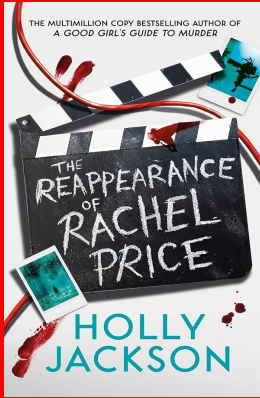

"Six of Crows is one of those books that you think would be boring because of its' title, however you're completely wrong. It starts as a dark and gloomy beginning which flourishes into an amazing journey" - Year 10 Student

Suzanne Collins

Suzanne Collins is an author who is most known for writing the Hunger Games series. The books are directed to teens and young adults. She was awarded the #1 USA Bestseller, for The Hunger Games. She began her career in 1991, as a writer for children's television, she has worked on several different shows for Nickelodeon.

'I felt that this was really intriguing how she portrayed the possible future universe and how she mirrored a huge dictatorship over future America'

"The book is better than the film. It really elevates the mood in comparison to the film, as I felt more intrigued to read on, however in the film. It is more of a one time watch."
